

Navigating Common Legal Problems in Healthcare

Dean A. McConnell
Deputy General Counsel
September 18, 2026

Disclaimer

The material presented here is based on formal education and training, evidence-based research, COPIC recommendations, guidelines and best practices, and personal experience. This content of this lecture is by no means legal advice. Each provider assumes responsibility of the potential risks associated with each educational management procedure, and to remain updated on best practices for any patient related procedures.

Providers participating in any COPIC related workshop, do not hold COPIC or the physician instructor liable for any consequences of individual choices, and personal practice. All patient related outcomes are ultimately the responsibility of the provider.

Financial Disclosures

“NONE OF THE PLANNERS, REVIEWERS, AND FACULTY FOR THIS EDUCATIONAL ACTIVITY, IN THE PAST 24 MONTHS, HAVE RELEVANT FINANCIAL RELATIONSHIPS TO DISCLOSE WITH INELIGIBLE COMPANIES WHOSE PRIMARY BUSINESS IS PRODUCING, MARKETING, SELLING, RESELLING, OR DISTRIBUTING HEALTHCARE PRODUCTS USED BY OR ON PATIENTS.”

Accreditation & Designation Statements

For nursing the number of credits designated is the number of credits awarded

COPIC is accredited as a provider of Continuing nursing education (CNE) by the American Nurses Credentialing Center's Commission on Accreditation (ANCC). This activity was designated for 1 nursing contact hours.

Process for Claiming Credit

To earn CNE credit learners should complete the evaluation questions that will assess if nurses have learned the most important recommendations and conclusions from this course. Each LIVE activity consists of the full participation of the learner, and a course evaluation. The evaluation will open after the learning activity is completed.

Process for Completing the Activity:

1. Read the target audience, learning objectives, and financial disclosures.
2. Complete the LIVE educational activity.
3. Complete the activity evaluation form

It is estimated that this activity will take approximately **1 hour** to complete.

Important Disclaimers for this Presentation

The information provided in this presentation (including these slides) does not, and is not intended to, constitute legal, medical, or other professional advice; instead, it is for informational purposes only. Information provided in this presentation should not be relied upon for personal, medical, legal, or financial decisions and you should consult an appropriate professional for specific advice that pertains to your situation. You should not act or refrain from acting based on information in this presentation without first seeking legal advice from counsel in the relevant jurisdiction. Only your attorney can provide assurances that the information contained herein—and the interpretation of it—is applicable or appropriate to your particular situation.

Health care providers should exercise their professional judgment in connection with the provision of healthcare services. The information contained in this presentation is not intended to be, nor is it, a substitute for medical diagnosis, treatment, advice, or judgment relative to a patient's specific condition.

The information in this presentation may undergo periodic changes. You should consult with your legal counsel or other professional to ensure that the information contained in this presentation has not changed.
